CRIME STOPPERS PLAQUE PROGRAM IS LOOKING FOR NEW PARTNERS

Crime Stoppers offers a great way to partner with local businesses. The Business Plaque Program was created to assist in raising funds and awareness for the Crime Stoppers program. The sponsoring businesses will receive a Windsor & Essex County Crime Stoppers plaque that can be mounted in their office or place of business. This visual showpiece will allow the businesses to display their support to the Crime Stoppers program.

“This is a great opportunity for members of the community and businesses to partner with Crime Stoppers, show their support and receive visual recognition,” says Program Manager Tyler Lamphier.

The Business Plaque Program is a 5-year annual commitment of \$200 donation to help fund the Crime Stoppers program locally. Businesses will receive a Windsor & Essex County Crime Stoppers Supporter Plaque to display along with a tax receipt for their donation and annually the plaque will be updated to show continuing support.

Businesses that are interested in celebrating Crime Stoppers month can contact Tyler Lamphier, Program Manager, at 519-255-6700 ext. 4497, or tyler@catchcrooks.com.

Program News & Information

CRIME STOPPERS LOOKS TO COMMUNITY SAFETY IN 2021

The Crime Stoppers program has always been founded on the unique three-way partnership between Police, the Media and the Community. By leveraging the power of the media (news, social media and in person contacts), Crime Stoppers is able to communicate valuable information regarding crimes that have taken place, crime prevention education and ongoing alerts to keep the public safe. With this information, the community is then able to provide anonymous information to the police to further enhance public safety.

In 2021, Crime Stoppers is focusing its vision on “Helping Communities Stay Safe”. Crime Stoppers mission statement is simple:

“We are a charitable, civilian organization that encourages members of the community to provide anonymous information to assist police and other authorities to solve crime”. However, there is so much more that the program is able to do.

Throughout 2021, Crime Stoppers will be offering simple educational tips and strategies to help the community stay safe, healthy, and alert. They will be partnering with a number of different community charities, groups and services to promote different ideas, topics and strategies. Stay tuned throughout the year for more details, activities and opportunities.

CONGRATULATIONS

Windsor Police Coordinator Cst. Tim Harrington retired at the end of April. His contributions to the program over the last year as we navigated the challenges of the COVID pandemic were instrumental to our continued success.

The Board of Directors, staff and volunteers wish to extend their sincerest thanks and best wishes.

BEST WISHES

The Board of Directors, staff and volunteers wish to extend their sincerest thanks to long term board member Dianne Bako.

Dianne has been with Crime Stoppers Board of Director for just over 4 years. During her tenure, she has been an active force in the community.

WELCOME TO THE PROGRAM

In April, Cst. Lauren Brisco joined the Crime Stoppers program. Cst. Brisco brings a diverse background, with many community connections. She will be a part of the program for the next three years.

The program is very excited to welcome her and seeing the unique ideas that develop.

CRIME STOPPERS NEEDS YOUR SUPPORT

Throughout the past year, Windsor & Essex County Crime Stoppers has been hard at work despite the impacts of the COVID-19 pandemic. Crime never sleeps, and with many people working from homes, the ability to See Something, has led to more people Saying Something than ever before.

Crime unfortunately affects us all. Crime rates affect our feeling of safety and security within our homes, parks and even workplaces. Crime Stoppers offer rewards for information to help the police and policing agencies solve crimes. Since inception, our Crime Stoppers Board of Directors have authorized over \$1,300,000 in reward payouts. In short, the program works.

Unfortunately, 2020 was also a year filled with challenges. Being a non-profit charity, Crime Stoppers does not receive any government or police service funding. Due to the ongoing restrictions faced by the COVID-19 pandemic, we were unable to run many of our fundraising events such as our Golf Tournament, Spitfire Games (Chuck a Puck), Bail or Jail, Bingo's, among others.

This August will see the return of our Golf Tour-

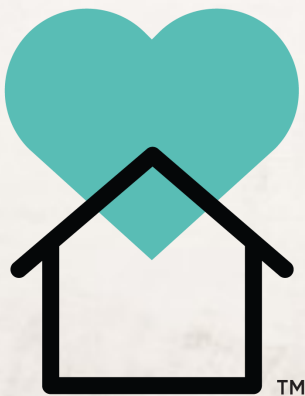

namment, with new rules and restrictions in place to ensure the safety of our staff, volunteers and players. "We are very excited for the returns of events where we can get together with our supporters. We are grateful for the continuing support from our community throughout these times," said Tyler Lamphier, Program Manager. "Our program truly is a community driven program, and we are in greater need of support than ever. Events like our Golf Tournament are so vital to our program"

For more details on being involved in our Golf Tournament, visit www.catchcrooks.com or contact Tyler Lamphier at tyler@catchcrooks.com

THANKS TO OUR COMMUNITY GAMING PARTNERS FOR THEIR CONTINUED SUPPORT

Crime Stoppers is a community driven charity that depends on donations and support to operate. One of our most successful partnerships is with Community Gaming at [Paradise Gaming Centre](#).

The funds raised through Bingo's are vital to keeping our program running. We are grateful for the continuing support and invite everyone to join us in a game of Bingo when the halls reopen!
